

FRAME TENTS

Frame tents are staple products in the tent industry that provide open, unobstructed space for small, medium, and large-sized events. These versatile tents are available in hip, gable, and hex ends as well as high peak options.

FRAME TENTS

F3

F3 is the most innovative track frame tent available. Strong yet light fluted extrusion with three keder tracks give an elegant appearance with an accessory track in every frame member.

- Certified to ASCE 7-10
- Engineered to 50 MPH at 30' wide on 10' uprights
- Engineered to 70 MPH at 20' wide on 10' uprights
- Clean, open sightlines – no cables or braces

Standard Widths: 20' & 30'

FIESTA®

Fiesta® tents are a field proven success and an industry favorite for 52 years because of their interchangeable frame components, tough construction, and superior quality fabrics.

- One-piece or expandable tops
- Corrosion resistant aluminum tubing and quick-to-assemble stainless steel hardware

Standard Widths: 10', 12', 14', 16', 18', 20' & 30'

CENTURY® FRAME

Century® Frame features graceful peaks and curves supported by frame tent stability. A unique, water-tight guttering system joins multiple Century® Frame tents together for larger accommodations.

- 20' frames convert to 10' frames
- 30' frames convert to 15' frames

Standard Widths: 10', 15', 20', & 30'

NAVI-TRAC® SYSTEM

Most versatile in its class, the Navi-Trac® Frame Tent System incorporates modular construction in which fabric panels slide through channeled beams for faster, simplified installations, a smooth, weather-tight fit, and maximum stability.

- Certified to ASCE 7-02
- Navi-Trac® Lite converts to a clear span structure by changing baseplates and adding cables

Standard Widths: 15', 20', 30' 40', & 50'

TENSION & SHEER TOP TENTS

TENSION TENTS &
SHEER TOP TENTS

The high peaks and graceful curves of Anchor tensioned tents define elegance and can adapt to virtually any configuration your event demands. Century® Tents continue to be the most asked-for-by-name tents in the industry. Sheer top tents are quickly emerging as the industry favorite for outdoor weddings, ceremonies, and events. Anchor's Aurora® Tent glows luminous with the warmth of the moment.

TENSION & SHEER TOP TENTS

CENTURY® MATE ONE PIECE & EXPANDABLE

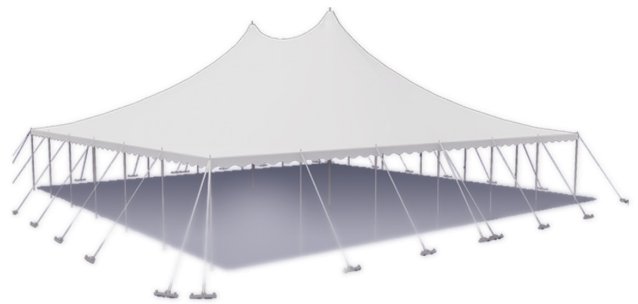

Anchor's Century® Mate showcases all the design and prestige of the Century® offered at a great value for a rapid return on investment. Century® Mate is the clear choice for smaller events, parties, and weddings that require elegance.

Standard Widths: 20', 30' & 40'

CENTURY®

Specifically designed for the rental industry, the Century® features interior spaciousness, elegant curvilinear design, and dramatic high peaks that provide more open space for events. Century® is certified to ASCE 7-02 in 40', 50', 80', 100', and 120' widths. Our 60' is certified to ASCE 7-10.

Standard Widths: Range from 40' to 120'

AURORA®

Anchor's Aurora® is more than a "fair weather tent;" the translucent, luminous fabric glows during the day and radiates among the surroundings at night. The patented, revolutionary WeatherShield™ wall attachment technology eliminates the gaps that let in wind and rain. Aurora® sets the stage for luminous beauty and unique protection from the elements.

Standard Widths: 20', 32', 45', 57' & 59'

POLE TENTS & CANOPIES

POLE TENTS
& CANOPIES

Pole tents and canopies add a traditional look and feel to outdoor events. Quality materials, attention to detail, and easy installation make the All Purpose Canopy®, Original Party® Tent, and Party® Mate timeless classics that are essential to any inventory. These are great tents for family reunions, company picnics, or backyard birthday parties. Strong and durable, these party tents can assume nearly any configuration to meet the demands of the occasion.
