

Remake Conversion Chart

ANCHOR MESH

Virtually any competitor's cross webbed safety cover can be duplicated into a Defender Mesh with little or no new anchors drilled.

DEFENDER MESH

Virtually any competitor's cross webbed safety cover can be duplicated into a Defender Mesh with little or no new anchors drilled.

CLASSIC SOLID

Some competitor's grommated safety covers with rubber ties - Many rubber tie or bungee covers are actually tarps so this can be difficult to tell which qualify as safety until reviewed

TUFF STUFF

Some competitor's grommated safety covers with rubber ties - Many rubber tie or bungee covers are actually tarps so this can be difficult to tell which qualify as safety until reviewed
